

MODERN PROBLEMS OF NUCLEAR ENERGY AND NUCLEAR TECHNOLOGIES

Tuesday 14 October 2025 - Thursday 16 October 2025

Institute of Nuclear Physics

Scientific Programme

Section 1

Theoretical and experimental physics

Theoretical and experimental physics

Section 2

Nuclear energy and nuclear technology

Nuclear energy and nuclear technology

Section 3

Radiation physics and radiation materials science

Radiation physics and radiation materials science

Section 4

Applied aspects of nuclear physics

Applied aspects of nuclear physics
